

"FOR THOSE WHO DEMAND THE BEST!"

"Golly Mr. Alter, Skitch sure does rip on that new Skatepark Rider!"

Hobie

SKATEBOARDS

"Well, thanks Mr. Bennett. Your trucks help make our boards the best!"

Mr. Bennett and Hobie Alter (creator and designer of the Hobie Gyrocopter, Surfboard, Skateboard and Radio Controlled Glider) observe pro skater John Moyer, Scott Blalock, working out a line on the Concrete Wave.

See your local dealer for the complete line of Hobie Skateboards, Accessories, and PROtective Gear.

Get on the stick!

The Skatepark Rider is the first freerider board specifically designed to ride parks, bowls, and bowls. Full rocker for a low centered, perfectly stable, with rounded wheel wells. Lengths of 26", 28", and 30".

PROtective Gear

The Pro Know... Safety gear makes sense everywhere, anywhere!! Hobie was the first to offer a full line of safety equipment and we continue to lead the way.

Original Bennett!

Pictured above are two of the first Bennett trucks made! Mr. Bennett gave them to skater John Moyer and he's still riding them today! Hobie Power!
